

**Participant Form 02-01**  
**Credit Support Information**

**1. Applicant/Market Participant Identification**

Item	Information Provided by Applicant/Market Participant
Name of Applicant/Market Participant	
Market Participant Identification	
Contact Person for Credit Support Purposes (name & position)	
Contact Person (phone)	
Contact Person (e-mail)	

**2. Estimated Non-Coincident Monthly Peak Demand**

Provide in Schedule "A" the applicant's/Market Participant's estimate of the non-coincident monthly peak demand for each month for each applicable Delivery Point or set of Delivery Points. For this purpose:

- a) the non-coincident monthly peak demand for a Delivery Point must be determined in accordance with the Transmission Tariff;
- b) the estimate of the non-coincident monthly peak demand may be presented on an aggregated basis for two or more of the Market Participant's Delivery Points;
- c) subject to paragraph (d), the estimate of the non-coincident monthly peak demand shall be based on historical non-coincident monthly peak demand over a period of three consecutive years, adjusted as required to reflect trends and changes; and
- d) where it is not possible to comply with paragraph (c) by reason of the Facility being a new Facility or by reason of the historical information being unavailable, the estimate of the non-coincident monthly peak demand shall be based on the best information available to the Market Participant for that purpose.

**3. Estimated Quantities of Ancillary Services that will be Self-Supplied by the Applicant/Market Participant**

Provide the applicant's/Market Participant's estimate of the quantity of each Ancillary Service that it will self-supply under section 6.2 of the Market Rules.

<b>Ancillary Service to be Self-Supplied</b>	<b>Estimated Quantity</b>	<b>Facility Used to Provide the Ancillary Service</b>	<b>Dates Self-Supply will Commence and Cease</b>

**Schedule "A"**

**Estimated Non-Coincident Monthly Peak Demand ("NCMPD")**

Delivery Point(s)	NCMPD Jan.	NCMPD Feb.	NCMPD March	NCMPD April	NCMPD May	NCMPD June	NCMPD July	NCMPD August	NCMPD Sept.	NCMPD Oct.	NCMPD Nov.	NCMPD Dec.

**Indicate the basis on which the above NCMPD was calculated:**

Historical information for the following years: \_\_\_\_\_

If, in calculating the above NCMPD the historical information has been adjusted to reflect trends or changes, identify the nature of the adjustment and provide substantiating information or evidence:

\_\_\_\_\_

If historical information is not available for the three-year period required by section 2 of Form PF-02-01, explain why and identify the basis on which the above NCMPD was calculated:
