

**3. Authorization and Empowerment for Non-Owned Facilities**

For each Facility that the applicant does not own, identify the owner of the Facility and the manner in which authorization and empowerment from the owner will be demonstrated as required by section 2.6.3 of the Market Rules (see section 3.4.2 of Market Procedure MP-03).

Facility	Owner	Means of Demonstrating Authorization and Empowerment

**4. Connection Agreement(s)**

For each Facility, identify all applicable Connection Agreements required by section 4.3 of the Market Rules by date and identity of the parties. Indicate the manner in which the existence of each Connection Agreement will be demonstrated and confirm whether each Connection Agreement is in the form required by, and otherwise complies with, the Market Rules.

Facility	Date of and Parties to Connection Agreement	Means of Evidencing Existence of Connection Agreement	Does Connection Agreement Comply with Market Rules? (Y/N)

**5. Consent to Registration of Embedded Facilities**

For each Embedded Facility, identify the Host and the Market Participant for the Delivery Point behind which the Embedded Facility is embedded. Indicate the manner in which the consent to registration of each Embedded Facility by the Market Participant for the Delivery Point behind which the Embedded Facility is embedded will be demonstrated.

Facility	Host	Market Participant for Delivery Point Behind Which Embedded	Means of Demonstrating Consent

**6. Designation of Control Authority**

For each Facility, identify the Control Authority having the authority and ability to control the Facility as required by section 4.1.2 of the Market Rules.

Facility	Control Authority Position / Title	Control Authority Location	Control Authority Phone #	Control Authority E-mail address

**.7. Additional Information**

- a) Is this an application for provisional registration? (Y/N)
- b) Other than elements for which Waivers have been identified in section 2, is the applicant aware of any non-compliance by the Facility with the requirements of the Market Rules? (Y/N) (If yes, provide details)
- c) Other relevant information, if applicable.

**8. Attachments**

List all documents attached to this application:

Applicant hereby applies for registration of the Facilities listed in this application and confirms (a) that all information contained in or filed with the SO in support of this application is complete and accurate; and (b) that information pertaining to this application may be Published by the SO in accordance with the Market Rules and Market Procedure MP-03.
